

Hi my name is Sharon Echiverri and I would love to introduce myself. I am a Licensed Veterinarian Technician from Nashville, Tennessee. My family and I moved to San Antonio in 2008. I have dedicated the last 13 years to raising my 2 beautiful children and 5 of my furry babies.

I have the knowledge and the training to give the special care your pet will need. I was a Licensed Veterinarian Technician Supervisor of a major animal hospital in Nashville. I have spent 20 years of my life taking care of our friends and would to do the same for yours.
